Competition guidelines

- Images must have been taken using a CAM instrument. There is no time limit for when it was taken at CAM.
- A maximum of 3 entries per person can be submitted.
- Previously submitted images are not eligible for entry.
- Images must be submitted in an uncompressed .tif format, 1024k format or preferably greater.
- Images will be judged on their aesthetic quality. False colouring can make your EM images really stand out from the crowd!
- The creativity of your image caption and/or interesting story behind the displayed image will also be judged.
- By submitting an image to the competition, entrants give CAM permission to use the image in promotional material on the CAM website, in print, and on display at CAM.
- Please submit your entry at microscopy@anu.edu.au.

*To be used within 6 months of being awarded.
