

LIGHT MICROSCOPY AUSTRALIA 2020 IMAGE COMPETITION

The Intricacy of Life V. Pragathi Masamsetti (CMRI).

Winner of the Life Sciences Category, LMA 2019 Image Competition

The Annual Light Microscopy Australia Image Competition is now open for submissions. This year's competition is open to **ALL** microscopists based in Australia, not just AMMS/LMA members as in previous years. The competition is split into four categories, i) Live Cell Imaging, ii) Life sciences, iii) In Vivo Imaging, iv) Materials Sciences

Prizes: There is a total of \$2400 in prize money, with each category awarding a \$400 first-prize and a \$200 second-prize.

Submissions: Submit your images via the AMMS website (www.microscopy.org.au) until 5pm on Friday 23rd October 2020. Full terms and conditions apply, please read before submitting.
