	09:00	2 hrs	Exploring rock pools – a walk with Dr Peter Pridmore (LaTrobe University) & A/Prof Paul Cooper (ANU)	All ages, particularly children – Easy Walk
	09:00	2hrs	Geology of the Kioloa region – a walk with Dr Gavin Young (ANU) & Dr Prame Chopra (ANU)	10+ - Easy/Medium Walk
	11:00	1-2 hrs	Animal behaviour 101 - an interactive talk/demonstration with Dr Richard Peters (La Trobe University)	10+
	11:00	3 hr	\$3 Sausage sizzle & drink – with proceeds going to Kioloa/ Bawley Point Community Path	All welcome
	14:00	1-2hrs	Sun, wind and weather -An activity exploring the dynamics of weather through discussions and simple demonstrations, With Prof Hans Bachor (ANU) (in inclement weather this will be replaced by an indoor talk/activity)	All ages
	16:00	1-2 hrs	Solar observing - with Dr Bradley Tucker (ANU)	10+
	19:30	1 hr	Grow: Nature in the fifth dimension - a talk by artist, Ms Erica Seccombe (ANU). Erica will discuss her interdisciplinary research and explain how her practice spans both art and scientific enquiry.	12+
	19:30	1hr	Supervised colouring/craft for younger children – for parents attending evening talk	Children
	20:45	2-3 hrs	Animals of the night – spotlighting in the forest with Dr Stuart Davey & Dr Peter Pridmore (LaTrobe University)	10+

 The London Shed will be the meeting point for all activities.

 Transport from the Campus will be needed to get to the starting point of the following activities – Exploring rock pools, Geology of the South Coast, Animals of the Night and Aboriginal Pre-history.

 Carrying a water bottle, wearing sunscreen and enclosed shoes is recommended for those taking part in all activities involving walks (including rock pools).

 All children must be accompanied by a responsible adult.

 January is the height of the tick and leech season on the South Coast, spraying with a personal insecticide, in particular BUSHMAN, or RID, also helps prevent insect and tick bites. It is strongly recommended that visitors taking part on walks and spotlighting wear long trousers, socks and enclosed shoes.
